Thank you for your generosity.

Kids Shopping Day is a faith based, nonprofit organization committed to helping Lawrence County children needing assistance with school supplies and clothing. The organization began in 2006, helping 166 children. The popularity of the program has grown, helping 439 children in 2009, with 155 volunteers assisting.

The first Saturday in August, each child is supplied with two outfits of clothing, several pair of socks, underwear, hygiene items, school supplies and a backpack.

The community has pulled together, involving many churches, businesses and organizations. Volunteers work year round raising funds and purchasing items to help the children.

Thank you for your participation and generosity in our efforts to help as many Lawrence County children as possible.
